CABIN LIFE

Where families come to gather and create memories, for over 100 years

We have 9 stunning modern cabins, that all overlook beautiful Gull Lake. They are all fully equipped with everything you need, pots, pans, toasters, microwaves, utensils, coffee pots (w/filters), all the bed linens. Every cabin also has a fire pit, picnic table, and a free 14 ft boat comes with every cabin, or bring your own boat, the dock slips are huge, with 8 ft wide docks and every guest parks their boats for free; and wait until you see the fish cleaning house!!!

One Bedroom Cabins

Cabins 2 and 3 are both one bedroom cabins, and are close to the docks, swimming beach, and fish cleaning house. They have both been updated recently, but still have the ambiance of a true Minnesota up north vacation. They are the perfect get-away for two couples, since they are situated right next to each other, or for that special anniversary coming up, or private getaway for just the two of you—they do have a futon in the front porch, so just in case you'd want to bring the grandchildren!!!
