Family, Friends, Fun and Fishing

Can't deny the fishing is exceptional, but at Pike Point it is more about the fun too! Every week we treat our guests to a fish fry/portluck, the ladies all get together for a night on the lake. (we even catch fish sometimes!) then we have a cornhole tournament every week, and there is always games in the lodge, or outdoor games for the guests to enjoy, oh and don't forget the kids arts and crafts.. With 3 golf courses nearby and lots to do in Bemidji, there is always something to do; unless of course you want to just get away and read a good book, this is the place for that too!
